**SOL** Take away any desire in me that hurts You  
Take away anything that stands between You and me  
I want to be what You created me to be  
It's my desire that You find favor in me  
Lord  
Take away anything that displeases You

Take away any evil thought within me  
Take away anything that proves to break your heart  
I want to be in sweet communion with You  
It's my desire to do everything You want me to do  
Lord  
Take away anything that displeases You

**SOL** Take away anything that You'll find,  
I'm sure there are lots of things that You will find,  
Take away anything that displeases You

Father,  
Take away, my doubts  
Take away, my fear  
Take away, those things  
I thought had already disappeared,  
Take away the hurt,  
And take away the pain,  
Take away all of the things,  
that would stop me from praising Your holy name

Take away any desire in me that hurts You  
Take it away
