

YOU'VE GOT A FRIEND

comp. Carole King, arr. Erwin Young

SOL When you're ¹down and troubled
And you need some loving care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

Koor You just > call out my > name
And you > know wherever I am
I'll come running

sop/alt running
ten to see you again
Koor to see you again

Winter, spring, summer or fall
All you have to do is call
And I'll be there yea yea yea
You've got a friend

SOL If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow
Keep your head together
And call my name out loud
Soon you'll hear me knocking upon your door

Koor You just call out my name
And you know wherever I am
I'll come running

sop/alt running
ten to see you again
Koor to see you again

Winter, spring, summer or fall
All you have to do is call
And I'll be there yea yea yea

Koor Ain't it good to know that you've got a friend
When people can be so cold
They'll hurt you,

ten and desert you
Koor And take your soul if you let them
ten Oh, but don't you let them

Koor +K call You just call out my name
And you know wherever I am
I'll come running

sop/alt running
ten to see you again
Koor to see you again

Winter, spring, summer or fall
All you have to do is call
And I'll be there yea yea yea **3x**
